JOB LEADS

Ludhiana

RESEARCHED 13 OCTOBER 2026

Local roles. Clear next steps.

Salaries, eligibility, local work locations, application links, advertised contacts and walk-in dates across 32 role listings.

Availability status
These are online-advertised local leads, not phone-confirmed vacancies. No employer calls or site visits were made. Confirm that hiring is still open before arranging interviews or sending students.

Expired or filled pages found during research were excluded. Listing dates are often unavailable; the research date does not mean every role was newly posted that day.

Start with local contacts

Call the advertised contacts first to confirm vacancies, take-home pay and interview slots. Contact details below come from public listings and have not been independently verified.
